Dear David

## Young Software Engineer of the Year Awards 2004

As you are no doubt aware Napier University entered your final year project for the Young Software Engineer Awards, and I am delighted to inform you that your project has been selected by our panel of judges for one of the prizes. Congratulations! (The actual prize you have won will not be announced until the presentations at our annual Awards dinner, which is on 10<sup>th</sup> September 2004.)

We should therefore be delighted if you would join us as our guest at this year's Awards Dinner when the prizes will be announced and presented. As a prize winner you are also entitled to invite a member of the Academic Staff from your University to join you at the Dinner.

This year's Awards Dinner will be held at the Sheraton Grand Hotel, Edinburgh on Friday 10<sup>th</sup> September 2004; the Welcome Reception starts at 6.30pm with the Dinner at 7.30pm and the evening normally wraps up around 11.00pm. The Dinner forms part of ScotSoft2004 the industry's annual conference (see [www.scotlandis.com](http://www.scotlandis.com)).

Further details will be mailed to you shortly but I would appreciate it if you could let me have the following as soon as possible:

- a current email address and telephone number for easier contact
- a current photograph of yourself
- confirmation of whether you will be attending the Dinner
- a note of whom you will be inviting from your University
- a note of any special dietary requirements you have

Please don't hesitate to let me know if you have any questions on any of the above or need any further information at this time.

Congratulations again and I look forward to meeting you at the Awards Dinner.

Yours sincerely

Karen Meechan
